

TEMPLATE FOR ADVERTISING RESEARCH POSTS

based on indications given by par. 4.4.1 of the
"Report of the Working Group of the Steering Group of Human Resources Management under the
European Research Area on Open, Transparent and Merit-based Recruitment of Researchers"

Recruiting Department/Research Unit: Humanities

Title: Warehouses of Parks and Archaeological Sites in the Province of Macerata as information repositories and museum spaces: the case of Ricina and Urbs Salvia.

Offer description: The Project is organized in different phases: in the first one, an analysis of the history and methods through which the archaeological finds from the main sites of the area in question were collected and deposited in the different locations, with particular reference to Ricina, and Urbs Salvia. In the second phase, a method for the management of this heritage dispersed and spread across the territory, but characterized by the same place of origin, will be developed and implemented. In the third phase, a specific Project will be developed also using ICT, to be included, as a specific document in the Management Plan of the Ricina park, developing the model already being tested for the Urbs Salvia Park born from the application of the TRANSFER Project
