based on indications given by par. 4.4.1 of the
"Report of the Working Group of the Steering Group of Human Resources Management under the
European Research Area on Open, Transparent and Merit-based Recruitment of Researchers"

Recruiting Department/Research Unit of Education, Cultural Heritage and Tourism

Title: *Museum realities and digital applications for the accessible restitution of detached frescoes*

Offer description - Funded by the European Union – Next Generation EU – PNRR mission 4, component 2, investment 1.1

The research aims to restore the different values of the detached frescoes in museum collections through different ways of valorisation, in order to make them accessible by removing all possible barriers to their enjoyment by museum audiences. Particular attention will have to be paid to digital solutions, through a comparative analysis of what has been achieved so far at national and international level, in order to come up with a project applicable to the case studies analysed by the PRIN.
