

TEMPLATE FOR ADVERTISING RESEARCH POSTS

based on indications given by par. 4.4.1 of the
"Report of the Working Group of the Steering Group of Human Resources Management under the
European Research Area on Open, Transparent and Merit-based Recruitment of Researchers"

Recruiting Department/Research Unit: Department of Law

Title: Inclusive local growth: policies to promote development and EU projects for communities

Offer description:

The activity of the grant holder has the aim of creating a bridge between the scientific areas in a broad sense and the design of projects for competitive national and international calls. It is intended to support the Department in the planning of research by way of guiding and advising Department researchers on the design and management of competitive research calls. Candidates are required to have the specific skills of a "project manager", as provided for in the National Research Program: they must support the entire research project life cycle, considering in particular the planning services to support research, lobbying and networking, and research promotion, they must also plan support activities and contribute to the monitoring and evaluation of projects, also with a view to developing and consolidating the career of researchers.

Researcher career profile:

- *R2 Recognised Researcher (PhD holders or equivalent who are not yet fully independent)*
