"Report of the Working Group of the Steering Group of Human Resources Management under the European Research Area on Open, Transparent and Merit-based Recruitment of Researchers"

**Recruiting Department/Research Unit:** Department of Education, Cultural Heritage and Tourism

**Title:** Legal protection and promotion of caregiver's well-being. Legislative innovations and good practices

**Offer description - Funded by the European Union – Next Generation EU – PNRR mission 4, component 2, investment 1.1**

The research activity is part of the PRIN PNRR project n. P2022WM54H "Legal protection and promotion of caregiver welfare. Legislative innovations and good practices". The research activity aims at carrying out a theoretical analysis of the aspects of care and caregiving in the light of changes in the national socio-demographic context (ageing population, women's participation in employment). Here, work is required on secondary data on family structures, caregiving patterns and gender differences. In particular, a sociological analysis of organisational practices of work-family balance and caregiver support through both quantitative and qualitative case-studies methodology in different Italian realities is also envisaged.
