

ATTENZIONE: il progetto va compilato e caricato, in formato PDF, all'interno dell'apposita procedura informatica, raggiungibile dal link "domanda di partecipazione".

PROJECT TEMPLATE

Please, answer the following questions (English only, max 2.000 words in total)

1. *Choose one of the following thematic areas as your preferred area of investigation:*
 - **Culture, creativity and inclusive society:** Cultural heritage, Interculturalism, Multilingualism, the Performing Arts;
 - **Social transformations:** Migrations, Democracy, Human rights, Inclusion, Gender Equality, Health and Wellbeing;
 - **The Green and Digital Transition:** Climate Change, the Environment, New Technologies, the Digital Sphere.
2. *Explain the reasons why you are interested in this area and what particular topic you would be willing to help develop. Why is this topic relevant?*
3. *Discuss previous research you might have conducted on the selected topic or similar topics (including research carried out to complete your degree Thesis)*
4. *Discuss international networks you might be interested in joining to develop further collaborations on the thematic area you have selected. Explain the reasons why the network or networks thus identified are important to foster collaborative work.*
