Presentazioni Power Point o Prezi a cura degli studenti			10 maggio	15-18

PROVA FINALE:

- Contenuto: “For the final session, all candidates are asked to prepare a presentation of one section or one aspect of their research (not the whole PhD project), as if they were aiming to present it at a conference. Presentations shall be orally delivered and can be accompanied by either a Power Point or any other type of visual. The overall presentation shall last no more than 7 minutes. It will not be evaluated for its specialized content but for the overall organization and delivery.”
- Ammissione: 75% di frequenza, ovvero 16 ore su 21 (la prova finale è esclusa dal conteggio).
- Attestato finale: redatto e rilasciato dalla SDA.
